Rule4 Revelations!

Welcome to Rule4

Vendor of the Month

Residential Design build have just completed another successful remodeling project. The Daniels residence in Columbia has seen a complete facelift with a kitchen renovation, 2 bathrooms, new hardwood floors and paint throughout the first floor. With the help of Sandy Lucado, our in-house designer, paint colors and final finishes have made the project one to die for. Mr and Mrs Daniels are delighted with the service from all Rule4 employees and of course the final

results! How could they not be!

You can tell all your business contacts, friends and family to enter the Monthly Prize Draw—every month is great—just keep entering until you win! **February’s Winner, Rachel, Chevy Chase**

Refer Rule4 Today

Remodeling is **ALWAYS** looking for large renovation referrals—home makeovers. Keep your eyes and ears, open. Remember, always ask for the **referral**.

Rule4 Painting at Pentagon

Rule4’s new move into commercial painting was kicked off with style! Rule4 Painting Division has just completed the painting of the 25,000 sq ft Health Clinic on the 1st floor of the Pentagon. The job was com-

pleted using Benjamin Moore Zero VOC Natura® Paint, in Pentagon Ivory. Don Moran said “It’s a great project to have in our portfolio. The customer was delighted with the results and so were we!”

Delight for Dreifuss and another great Testimonial for Rule4

A recent testimonial for another satisfied customer. Great job everyone! "Rule4 came highly recommended by our architect, and gave us the most competitive bid on our master bathroom remodel. Joe and Ryan are true professionals with a focus on customer service and attention to detail. We were particular in our design choices, and Rule4 worked with us every step of the way to ensure that we were not only satisfied but excited about every element of the design.

The Rule4 team is courteous and hard working and always cleaned up after the day's work. We were kept informed along the way about the upcoming construction tasks and the job proceeded just as we expected. Our bathroom exceeds expectations and so did the Rule 4 team! We

started with an out-dated, dark space and ended up with a vacation spa! We highly recommend Rule4 and would turn to them for any future remodeling jobs!"

Jeff and Sue Dreifuss
Howard County, MD

Rule4 Home Show Success

Rule4 exhibited in February and again in April at the Howard County Fairground Home Show. Both shows were a great success with plenty of visitors. The next one is October and we'll be there!

Welcome to Rule4

Brent Hanauer to the Residential Design Build Division as Project Manager. Brent grew up in Elliott City and gained his degree at University of Vermont. He brings a great deal of experience and enthusiasm to the Rule4 team. Brent is also brings a first to Rule4 with his LEED Professional Accreditation qualification

Andrea Denes joins Rule4 as Receptionist. Originally from Romania, Andrea speaks three languages and is currently studying towards her business degree at the University of Maryland

Aimee Boehm joined Rule4 at the beginning of February and works in Residential Customer Service. Aimee grew up in Maryland and currently lives in Dundalk, "Hon"! Aimee's rather prone to car problems, but that's a whole new story in itself.

Randalls Rap!

Randall Page joined Rule4 in October 2009. Randall works as a Superintendent for Rule4 Residential Dry Wall. Randall's philosophy is based around on-time delivery and superior quality at all times. He also believes his Rule4 cell phone helps him do his job to the best of his ability! Thanks Randall!

Rule4 Revelations:

Did you know?

- Rule4 is about to start work on the next Buffalo Wild Wings, Owings Mills, with the Grand Opening in July 2010
- Rule4 is a premier remodeler in Howard County
- Rule4 now does Commercial Painting
- Rule4 has 3-D plan and design capability

Vendor of the Month

Budeke's have been working with Rule4 for over 5 years. They are a family run firm, established in 1868 and recognized as the oldest paint store in Baltimore. Rick Watson and his team provide the Paint Division with great service and competitive prices. Recently they provided training on new low and no VOC paint products. Thanks guys, you do a great job!
